Biography

Kerry Welch is a Consultant at YA Group and has been in the restoration industry for 25 years. Along with his years of restoration experience, Kerry has all the qualifications to manage and communicate about any type of loss.

He started as owner of a restoration company in the Alabama area and has worked in the disaster recovery and large loss division for the #1 restoration companies in the restoration field. Kerry has experience in sales, working along and with the insurance adjuster, building owners and managers. He has worked in several capacities from clerking projects, managing projects and bidding on projects of large volumes.
