Biography

Joshua Earls joined YA Group in 2021. Prior to joining YA Group, he worked at a commercial construction company as a project administrator/project manager at integrity construction, where he built hotels ranging from \$5 million to \$20 million. At Integrity Construction, he also helped build a small cancer facility and remodeled the Mid-America Science Museum. Before this, he worked as a project administrator for Central Construction Group and constructed multiple apartments. The apartments ranged from \$1 Million to \$5 Million. Before working at Central Construction Group he worked as an electrical apprentice for Thompson Electric, where he did remodels and new build electrical work.
