St. Petersburg, FL

Biography

Devin Knuth has over 35 years of residential and commercial construction experience, ranging from technician, superintendent, and owner/operator in various construction trades. He has worked in the hospitality industry in management positions as a liaison to oversee renovations, to meet the operational needs of the hotel during major construction and renovations. Specialized in grand openings, making sure to meet construction milestones to open for business nationally and internationally. When employed with Petersen Metal Products, he worked with major construction companies to get our architectural products delivered and installed on time.
