Locations

Denver, CO

Biography

Nicole Rogers comes to YA with experience in construction. Starting at a young age, she assisted her father in designing and building their family home. Her educational background in graphic art and experience in the education sector has helped her develop a skill set aimed at detail and accuracy and the ability to multitask successfully. She works to support YA from her home in Aurora, Colorado. Nicole's work at YA continues the multi-generational family history of construction, development, and building.

Education

- Colorado Institute of Art - Graphic Design - Denver - Colorado
