Biography

Patrick Godcharles is a regional consultant with nearly 20 years of experience in the commercial and residential restoration industry. Patrick has extensive expertise in mitigation, remediation, project management, and reconstruction estimating. He delivers high-level consulting services focused on evaluating property damage and ensuring the timely and cost-effective resolution of complex property-related issues.

Patrick is a Florida State Certified General Contractor with IICRC certifications in fire, water, and smoke damage restoration. His expertise includes estimating complex losses, overseeing construction timelines, and conducting thorough invoice analysis.
