## Biography

Paul Bellah joined YA with 18 years of experience in the insurance industry. He brings a wealth of expertise in residential and commercial large loss claims and is well-versed in industry-leading platforms such as Xactimate and Symbility.

Paul's career began at Farmers Insurance Group, where he spent 15 years as a key member of the Catastrophe Team, handling claims across various perils, including wind, hail, tornadoes, hurricanes, water damage, and wildfires. His expertise spans coast to coast, managing complex claims in diverse geographical regions. Most recently, Paul spent three years with Liberty Mutual, where he specialized in commercial large loss claims.

Before transitioning into insurance, Paul gained valuable leadership experience over 16 years in retail management, giving him a unique perspective on customer service and operational efficiency. His diverse background equips him to navigate the complexities of large loss claims with a client-focused approach, ensuring effective resolution and timely outcomes.
