Biography

Robert Hunt is a Regional Consultant with over 30 years of experience in the construction and insurance industries. Robert specializes in commercial, multi-family, and residential large-loss consulting throughout Texas and beyond.

Robert began his construction career in 1991, working in sales, estimating, and project management for residential and commercial roofing. In 1997, he transitioned to the insurance restoration industry as a construction superintendent, managing flood, fire, and water losses.

In the past he has overseen mold remediation, contents pack-out and cleaning, reconstruction, and served as a catastrophic adjuster handling residential claims. His responsibilities have included on-site inspections, coverage determinations, estimate preparation using Integriclaim and Xactware, settlement negotiations, and issuing settlement checks.
