Biography

Chris Moskal is a Senior Consultant at YA Group with over 20 years of experience in restoration, construction management, disaster response, estimating, and insurance claim resolution.

He provides detailed estimates and claim settlement support for projects ranging from six-figure losses to multi-million-dollar claims nationwide. His expertise spans mitigation, fire damage, hail claims, and comprehensive restoration processes across all aspects of the industry.

His background also includes volunteer service as a firefighter and EMT, strengthening his emergency response expertise. With a proven track record of leadership and operational excellence, Chris brings extensive industry knowledge to every project.

Credentials

- IICRC Water Damage Restoration
