

## Ron Kuta

### Senior Forensic Animator

#### Department

Accident Reconstruction & Forensic Animation

**Tel:** (310) 530-6033

**Email:** ron.kuta@yagroup.com

#### Locations

Los Angeles, CA

## Biography

Ron Kuta is a 3D Animator and CAD Designer with over 35 years of experience in accident reconstruction graphics. Ron is a valued member of the YA Group team, where he creates detailed visualizations and technical models to support complex forensic and engineering projects.

His expertise includes 3D animation, component modeling, material creation and application, and modeling from scan data. Ron also specializes in CAD accident site analysis and layout, plotting and analyzing police evidence, and developing exhibits for courtroom use. He has extensive experience creating physical models of accident scenes, including vehicle rollover sequences, as well as modeling buildings and mechanical components. Additionally, Ron prepares inspection material binders and designs instruction manuals for technical equipment.
